Hyperion

Callisto (Ulala Serizawa - P2 EP)

Callisto

Astraea (Ulala Serizawa - P2 EP)

Astraea

Picaro Variants

Corrupted by the Metaverse's influence!

Twelve Picaro variants from Persona 5 Royal's DLC are now available. These alternative versions feature darker color schemes and enhanced designs:

Orpheus Picaro & Orpheus F Picaro

Izanagi Picaro & Thanatos Picaro

Messiah Picaro & Izanagi-no-Okami Picaro

Athena Picaro & Tsukuyomi Picaro

Asterios Picaro & Ariadne Picaro

Kaguya Picaro & Magatsu-Izanagi Picaro

All Picaro variants include:

- Complete stat data matching their original personas
- Unique darkened artwork

- Proper arcana and element classifications
- Integration with all Personae Mode features

> *These corrupted forms represent the Metaverse's influence on legendary personas from across the series!*

Profile Customization

Wallpaper Collection Expansion

40+ new wallpapers added across all Persona games!

Your profile sharing options just got a massive upgrade with wallpapers spanning from Persona 1 through Persona 5.

Persona 1 Wallpapers

Four wallpapers celebrating the game that started it all:

Persona 2 Wallpapers

Seven additional wallpapers including series-wide content:

Christmas Special

Total Wallpapers: 40+ options to customize your profile!

UI Improvements

Filter Button Redesign

Improved user experience for filtering characters

Before & After Comparison

Old Design:

Filter Before

New Design:

Filter After

What's New:

- Cleaner, more modern button design
- Better visual hierarchy
- Improved hover states and feedback
- More intuitive layout on mobile devices

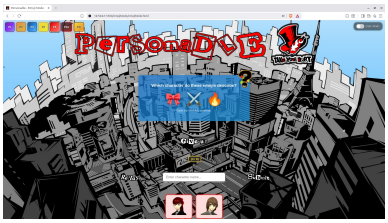
- Consistent styling across all game modes

Where You'll See It:

- Classic Mode character filters
- All-Out Attack Mode game selection
- Personae Mode arcana filters

Emoji Mode Enhancements

Improved gameplay experience based on community feedback



Emoji History Feature

Visual history showing portraits of incorrect guesses

What's New:

- Visual history of wrong guesses with character portraits
- Consistent navigation behavior across all game modes
- Navigation links now only appear after completing or giving up on a round

Community-Driven Improvement:

This feature was implemented following player suggestions to maintain consistency with Shadow Mode's user experience.

Wallpaper Selection Interface

Enhanced profile customization experience

Improvements:

- Better wallpaper preview thumbnails
- Organized by game (P1, P2, P3, P4, P5, PQ, Extras)
- Smooth scrolling and selection
- Visual indicator for currently selected wallpaper
- Faster loading with optimized images

Additional Badges

New Achievement Badges

Several new badges join the collection in Version 1.1:

Twin Blade

Twin Blade

Wind and Ice, blades crossed...

Velvet Master

Velvet Master

Master the art of Persona fusion

Phantom Coder

Phantom Coder

A true Phantom Thief gathers intel first...

More Badges to Discover
